

Let us host your Green Gathering

RADISSON PLAZA HOTEL
MINNEAPOLIS

Green Gatherings attendees can feel good about meeting at the Radisson Plaza where environmentally friendly initiatives are making a difference. Going green does not mean you have to make sacrifices. In fact, we incorporate many earth-conscious processes into our everyday service, allowing us to provide exceptional service and create an enhanced meeting experience that is sustainable, local and far more memorable for our guests.

We believe our top priority is doing what's right.
