Guests who are extended this courtesy must acknowledge the following hotel policies concerning pets:

- Limited up to (2) two small pets in each guestroom.
- Pets are not allowed anywhere other than the guest's room and the hotel lobby.
- Guests with pets are limited to pre-assigned guestrooms only on the 5th floor of the hotel. The hotel will make every attempt to assign a room in accordance to the guest's wishes but the hotel will not guarantee a particular room type.
- The guest must submit to a room inspection by housekeeping prior to check out.
- The guest must agree to be financially responsible for any damages found in the guestroom.
- A \$100 pet deposit is required at the time of check in of which \$75 will be returned to the guest upon check out after an inspection of the room by housekeeping is complete.
